

The paint finish ensures there is no outgassing. The finish does not change the acidity or alkalinity (pH) in the files. These modular 5 and 10 drawer files can be used individually or in a space-saving stack. The case-hardened, ball-bearing rollers provide a smooth, quiet operation. Positive closures keep your drawers tightly shut, while courtesy stops keep them in place while open. They keep your contents clean, with a rear hood and hinged front depressor. Expert engineering assures you of maximum function and many years of service. The Low Base elevates files 6" off the floor, for protection and easier access. The front is recessed 2-3/4" from the file, to allow toe space. The unit holds up to five files, consisting of any combination of 5 and 10 drawer cabinets. The High Base raises files 20" off the floor. Bases have enclosed backs and sides, with open fronts, for extra storage space (holds up to two files). Drawers include label holders and chrome handles. Optional lock kit includes lock and two keys. **Please specify colour:** Tropic Sand (-SND), White (-WH), Grey (-GRY) or Black (-BLK).

Small – Five Drawer Flat File

Cat. #	Description	H x W x D	Inside Drawer	Price
L4994	5-Drawer File	16-1/2" x 40-1/2" x 29-1/2"	2-1/4" x 37" x 26"	\$1190.00

**SAFCO Fácil Flat Files**

All steel construction provides smooth operation and long lasting wear. Features include heavy-duty nylon rollers and courtesy stops (to keep drawers from rolling completely open). Sheets are protected by a rear hood and hinged front depressor in each drawer (which also prevents pages from curling). Each drawer capacity is 60 lbs. and comes with perfectly placed label holders and chrome handles. Fácil Flat Files are a well priced solution for all non-archival storage requirements. **Colour:** Light Grey.
